

Your Personal Care Marketplace

Business PARTNERSHIP Proposal

About Us

Launched in 2024, Vibely is here to redefine self-care, making it simpler and more accessible. Our platform allows spas and salons to manage bookings effortlessly, streamlining operations while delivering a seamless experience for businesses and clients alike.

**Effortless
Booking**

**Real-Time
Availability**

Clients can book spa and salon services 24/7, ensuring convenience and peace of mind. Our platform continuously updates schedules in real-time, so clients always see the most current availability. Say goodbye to scheduling conflicts and hello to smooth, accurate bookings.

Why us?

- 1 Unique Service in Nepal: The only platform offering this level of convenience for spas and salons.
- 2 Effortless Booking: A few clicks, and you're all set.
- 3 Our team specializes in helping businesses attract and retain customers through targeted strategies, while also ensuring our partners receive special priority and tailored solutions to meet their unique needs.

Our Features

Seamless booking

24/7 booking service with just few clicks.

Client Management

Track client info for personalized service.

Customization

You can adjust services, availability, and pricing as needed.

Customer Support

Ongoing support for clients and providers with any issues or questions.

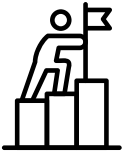

Promotions

Promotion support via Facebook ads, video, and photography to attract clients.

Pay After Service

Partners can pay us only after they have benefited from our services.

Mission & Vision

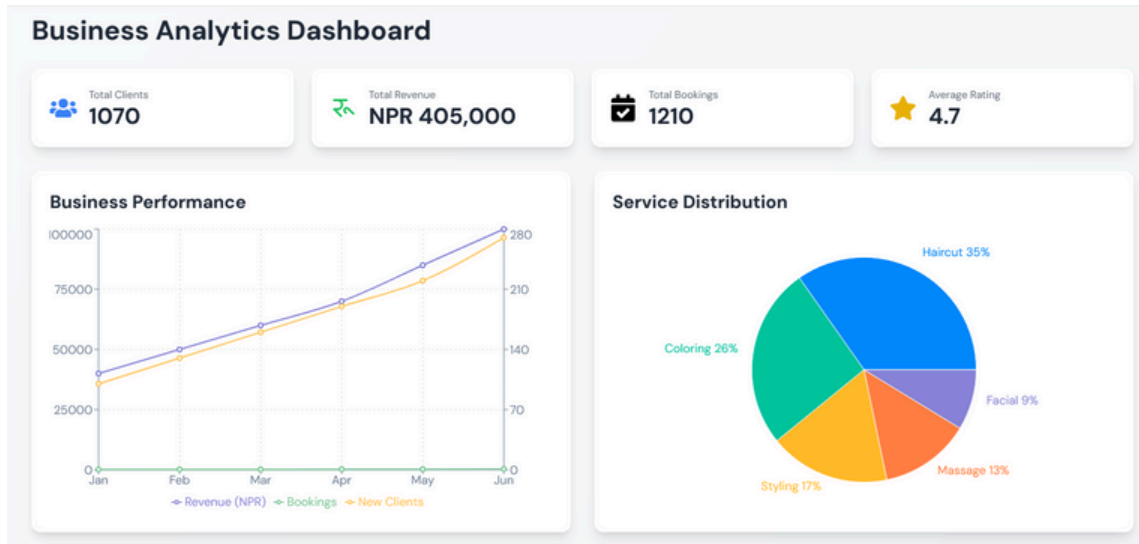

Mission

We aim to revolutionize how personal care businesses operate by offering a tech-driven booking platform that simplifies operations, enhances client experiences, and drives growth across the industry.

Vision

We envision a world where personal care services are just a click away, creating a seamless connection between providers and clients while fostering a thriving community of care.
